TIME-TESTED QUALITY

Presentation **Hotel Furniture**

FELIX Company - is the largest manufacturer and supplier of office furniture in Russia, the most popular national office furniture brand.

The holding company includes:

- Two factories for production of office, hotel and home furniture;
- Woodworking enterprise "Zharkovsky";
- New office furniture factory in Toropetz (Tver region), opened in 2017. The largest in the Russian Federation;
- Modern warehouse complex with a total area of more than 30,000 square meters;
- 10 brand showrooms in Moscow and St. Petersburg, more than 60 in the regions of Russia, in the CIS and far-abroad countries. The total area of the company's showrooms is more than 32 000 square meters.

Total output of the company's factories is more than 100 000 items a month.

Presently the products range of the Company includes 78 collections of furniture of its own production: 17 collections for top executives, 2 President-level boxes, 15 collections for staff, 16 series of hotel furniture, 4 systems of office panels, 9 collections for reception offices, 14 home furniture collections.

The factories have introduced new automatic production lines from the world leader in the production of complex woodworking equipment Biesse. These lines have no analogues in Russian furniture production. They allow to increase the productivity significantly and bring the quality of products to a persistently high level due to minimization of human factor.

We started producing hotel furniture in 2003. Since that time, our designers and engineers have developed and launched 16 furniture collections.

At a client's request FELIX specialists not only equip rooms on a turn-key basis (furniture, accessories, lamps, textiles — covers, curtains, upholstery fabrics), but also offer architectural layout for all hotel premises - halls, conference rooms, bars, restaurants, etc.

More than 15000 hotel rooms, boarding houses and hostels in Moscow, St. Petersburg, Krasnodar region and another 50 regions of Russia and CIS countries are equipped with FELIX furniture.

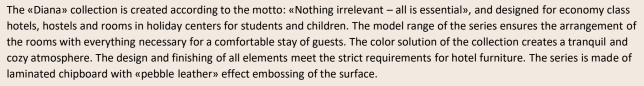

FELIX hotel furniture is supplied to Europe, the United Arab Emirates and Saudi Arabia. FELIX furniture was used to equip such hotels as AngererHot, Windischgarstnerhot Wellness & Kur Hotel, Hugellandhof in Austria, Haus Breuer, Zur Krone, Zur Ludwigshohe, Mercure, Sonnen-huegel in Germany and Euroholland Company in the Netherlands.

DIANA

DIANA PLUS

The attractive and modern look of the modest size rooms in hotels, hostels and holiday centres can be achieved with the help of the model range from the 'DIANA PLUS' collection which ensures everything necessary for a comfortable stay of the guests.

SILVIA

Modern design and elegant color scheme of the 'SILVIA' collection will make it possible to furnish any hotel room. Exquisite accessories help the interior surprise customers with ingenuity and innovation. The series is made of laminated chipboard with "pebble leather" effect embossing of the surface.

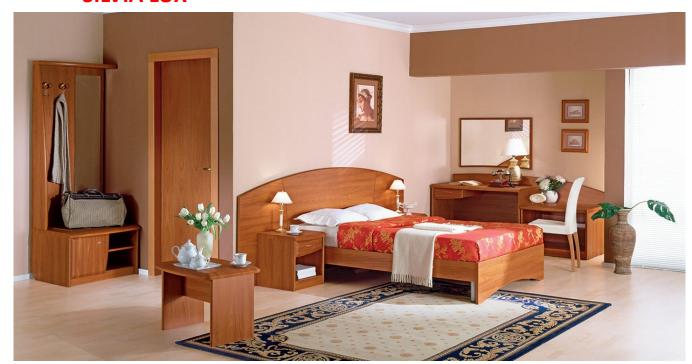

SILVIA LUX

Being elegant and comfortable, combining ergonomics and functionality, the 'SILVIA LUX' collection attracts customers with its design and impeccable finish. A wide model range enables customers to furnish the rooms of various layouts and size, and well-chosen accessories will help the guests feel at home and cozy. The furniture is manufactured of advanced materials (MDF and LCB) using "postforming" and "softforming" technologies. The frames of wardrobes, pedestals, luggage shelves and tables may be equipped with MDF or chipboard facades at customer's option.

VICTORIA

A wide model range of the «Victoria» furniture gives freedom to a designer in creating original and comfortable hotel interiors. Individual approach to every customer, impressive color scheme of the collection will make it possible to create a cozy and stylish atmosphere in a room of any layout. Elaborate high-quality finishing emphasizes concern for the guests' convenience. The furniture is made of laminated chipboard, surface is embossed with the 'pebble leather' pattern.

AGATHA

The hotel, equipped with the laconic and elegant furniture from the 'Agatha' collection will make a good impression on its visitors. The design which at first looks rather simple and ergonomic shapes of the items will ensure a comfortable rest in a cozy atmosphere. If you choose the "Agatha" furniture, you can be sure your interior looks harmonious and modern. Your guests will be satisfied with its comfort, and that will certainly increase the popularity of your hotel.

FELIX⁹

GLORIA

Being a reference model of respectability and comfort, the 'GLORIA' collection will embellish any room or suite. The furniture is faced with rare wood veneer and is made with the use of the latest advanced manufacturing technologies. The reserved elegance of the fittings is emphasized by the aluminum profile which gives a chic look to it. A peculiar feature of this collection is that the furniture can be made of chipboard faced with veneer of «California Mahogany» color, and certain elements - of laminated chipboard.

FLORENCE

The classical style of the «Florence» collection is elegance and respectability, clear lines and sophistication, practicality of designs and architectural accuracy of shapes. The wide model range will enable you to create a functional and uniform design for a bedroom, a lounge or a study in hotel suites and enliven the rooms with harmonious and cozy atmosphere.

MARSEILLE

The «Marseille» hotel furniture will be appreciated by those who hold family values in esteem and who like classical style with its exquisitely austere design. This collection seems to be created to prove that the real classics are timeless and cannot be out of fashion.

The furniture is decorated with carving, the decorative elements and frontages are coated with patina and varnish of bronze tint. A special decoration of the collection is its fittings: the shape and pattern of handles ideally match the furniture design. Clear faceted glass is used in the glass façades of the collection. Its ideal facets give the furniture still more exquisite look.

VERSAL

The classical forms, respectability, reliability and the warmth of the natural wood are the main features of the hotel furniture 'VERSAL'. The collection is designed for Lux-class rooms, and its aim is to create home-like cozy atmosphere and comfort in the rooms of any size. The distinctive feature of "Versal" collection is the use of the items made of rare solid wood, i.e. beech. Table tops, table supports, decorative inserts and shaped rubbing strips are made of beech. The table surfaces have rare wood veneer finishing. All solid wood and veneered items have a high quality coating with modern paintwork materials.

SAFARI

The "Safari" collection is manufactured for creating a cozy and comfortable atmosphere in any hotel room. It consists of a mirror wardrobe with an add-on, double bed, bed head, two night stands. The furniture is made of modern environmentally safe materials and is ideal for daily use.

FELISA

The «Felisa» hotel furniture collection is created in a minimalistic style. Its design is characterized by strict straight angles and the absence of excessive decorations, which looks good in light spacious rooms. This range includes double bed with straight bed-head and soft inserts, sliding-door wardrobe with a built-in mirror and a wide nightstand. All furniture is made of environmentally-friendly high-quality materials.

MARISA

«Marisa» furniture collection is simple and stylish furniture that provides all necessary elements for a cozy interior in a hotel room. Minimalism and grace are the main features of the collection. «Marisa» furniture collection is practical, compact, easy to use and assemble.

MILENA

Minimalism, which used to be a style of economy-priced interiors, has become a good way to make the interior look elegant without having excessive details. The «Milena» collection suits these purposes perfectly, giving you maximum freedom of creativity and self-expression. Its simple design is highly reliable and easy to assemble.

PATRICIA

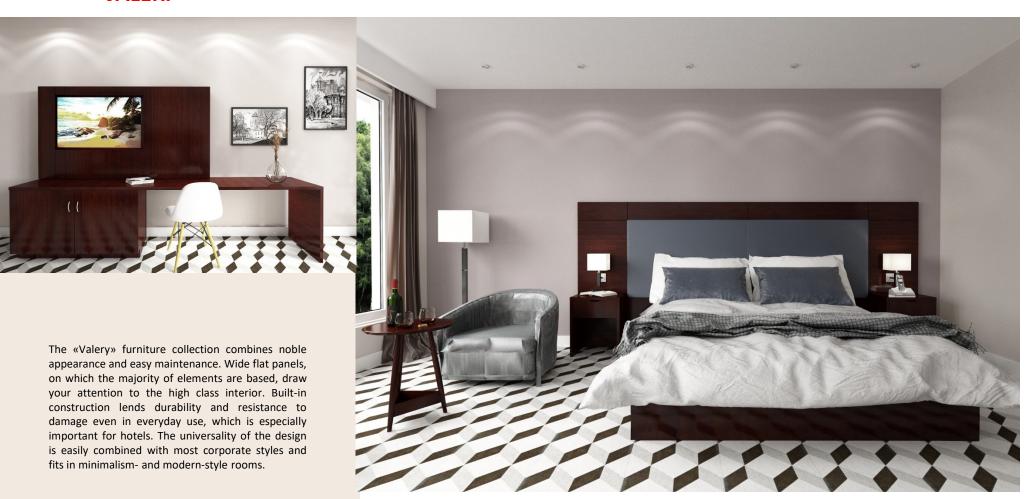

The «Patricia» collection is noted for its compactness and high reliability, due to its elaborate design and modern high-quality materials. It is easy to keep it clean, as any household chemicals can be applicable. This furniture will last many years even when used on a regular basis. Its attractive layout blends in with most modern styles and will prove to be an excellent choice for your hotel.
